Tenure-Track Faculty Positions

The Materials Science and Engineering Department (MSE) at the University of Central Florida (UCF) invites applications for a tenure-track junior level faculty position (Assistant/Associate Professor) in the areas including but not limited to: advanced functional and structural materials, recovery/recycling of materials, and material processing innovation. The minimum requirement for the position is a Ph.D. from an accredited institution at the time of the appointment. This position is expected to start in August, 2016.

The MSE Department has 9 tenured/tenure-track faculty members (2 NSF CAREER, 1 ONR YIP), 25 affiliated faculty and over 60 graduate students and post-doctoral associates. Collaboration with researchers in academic departments, schools, and centers at UCF, including the Advanced Materials Processing and Analysis Center (AMPAC), the NanoScience Technology Center (NSTC), Center for Research and Education in Optics and Lasers (CREOL), Florida Solar Energy Center (FSEC), College of Medicine, and Burnett School of Biomedical Sciences is encouraged and supported. Numerous opportunities for collaboration are available with external organizations and research centers located within a few miles of the UCF campus, including Siemens Energy, Lockheed Martin, and several hospitals in Lake Nona Medical City. UCF’s College of Medicine.

UCF has over 61,000 students and is a comprehensive research and education institute. Located in Orlando, UCF is at the center of the I-4 High Tech Corridor. The corridor has an excellent industrial base that includes software, defense, space, simulation and training, and a world-renowned entertainment and hospitality industry.

Review of applications will begin on November 15, 2015 and continue until the position is filled. The online application can be found at [https://www.jobswithucf.com/postings/42999](https://www.jobswithucf.com/postings/42999) In addition to the application, interested candidates must also submit a signed cover letter, a CV, a 2-3-page statement of research plans, a one-page statement of teaching philosophy, and list of three (3) professional references with addresses, phone numbers and email addresses. Only online applications will be considered. For questions please contact mseinquiry@ucf.edu.

UCF is an equal opportunity/affirmative action employer. All qualified applicants are encouraged to apply, including minorities, women, veterans and individuals with disabilities. As a Florida public university, UCF makes all application materials and selection procedures available to the public upon request.
